Disease Activity and Additional info

Continue to **Disease Activity** via the menu side bar.

If a DAS is not available, please click the 'Mark DAS as not available' button.

The screenshot shows a patient summary page with a left-hand navigation menu and a main content area. The navigation menu includes: Patient, Patient Summary, Clinician FUP, Biologic Targeted Therapy, Other Current Therapy, Adverse Events, Disease Activity, and Additional Info. The main content area displays patient information: Training Centre 1 home / All patients / Patient summary / Patient Status: Awaiting Approval [Click to reveal Patient Identifiable Data]. Below this, it shows Study ID, Cohort: Olumiant, Follow-Up: 1, Due Date: 24/03/2026, and Status: In Edit Window. The 'Disease Activity' section is highlighted, showing a message: 'No DAS28 has been entered' and a green button labeled 'Mark DAS as not available'. A blue callout box with the number '1' points to this button, with the text 'Mark as DAS not available'. Below this, there are buttons for 'Add New DAS', 'Tutorial', and 'Next Section'. A second blue callout box with the number '2' points to the 'Next Section' button, with the text 'Click on Next Section'. At the bottom of the page, there are buttons for 'Close Edit Window' and 'Feedback'.

→ If no DAS28 available, now go to slide 6 (Additional Info)
