You can re-register this person with the BSRBR-RA study.
• If the person is happy to be re-registered*, ask them to read the Participant Information Sheet and transparency information sheet, then re-consent the patient.
• Ask them to complete a HAQ and EQ5D.
• Use the “Switch cohort” function to re-register the patient; the team will advise you on the next steps.

*If they decline re-registration, please note this at the next follow up.

Is the patient already on the register?

NO

New participants to the BSRBR-RA can be registered within 6 months of the drug start date.

YES

Please give the person the Participant Information Sheet and transparency information sheet.

If they want to take part, take consent and register them by entering the below data on the BSRBR-RA online database:
• Clinical baseline information
• HAQ
• EQ-5D
• Upload a copy of the signed consent form

Is this patient biologic, biosimilar & targeted therapy naïve?

YES

Sorry. This patient is not eligible for registration.

NO

Is your patient with Rheumatoid Arthritis starting treatment with any of the following therapies for the first time?

• Database Access: https://bsrbr.org/database/
• Registration Forms: https://bsrbr.org/hospitals/data-collection/

If you have any questions please contact the team: biologics.register@manchester.ac.uk

If you will not be seeing the participant in clinic within the six month recruitment window, there is an ‘outreach consent’ option for obtaining consent remotely. Please see the information here: https://bsrbr.org/hospitals/eligibility/consent-process/
