

Remote Consent for New Registrations

Step 1
Post the outreach study materials to potential participant.

Document	Download from
BSRBR-RA Outreach Consent Invitation Letter	Under section 3
Information sheet Consent form Transparency sheet HAQ	On our website here
EQ-5D	Not available on website - please contact the study team

Step 2
Explain the study to the potential participant and give them the opportunity to ask any questions.

Step 3
Ask the study participant to sign the consent form and post it back to hospital, along with the EQ-5D and HAQ.

Step 4
Countersign the consent form and make 2 copies. The consent forms should be kept as follows:

- One copy sent to participant
- One copy kept in patient's NHS notes
- Original kept in the site file.

Step 5
Register the participant on the BSRBR-RA online database.

Please remember to upload the consent form.

If you have any questions about the study, or require any postage stamps for remote consent please contact us!
